Welcome to Rosewood

MEET SOME OF THE PEOPLE WE SUPPORT WHO HAVE RECENTLY MADE ROSEWOOD THEIR HOME

BOBBY-JOE

Bobby-Joe moved in to his new home in August. He is currently attending South Eastern Regional College. He is a big Man Utd fan and he loves to get out on his bike. He also goes to Men Shed and is one of our resident gardeners

SHAUNA

Shauna also moved in over the summer. She is enjoying her new found space as she always wanted a place of her own. She loves getting out for a coffee and going shopping. Her goal next year is to learn to drive.

Meet the Team

Peter went to the Special Olympic Awards in November. He wasn't one of the winners on the night, but some of his friends who also live in Rosewood brought back 5 awards

Rosewood Redecoration

In the Autumn we had Choice come out to scheme to complete some redecoration work. The service users were all delighted to get brand new bathrooms in their homes. They also gave a fresh lick of paint to all their front and back doors and all the fascia's around the Court.

Freedom to Try

In the new year will be full steam ahead with getting our outdoor space created. So far we have got the area cleared and we are just waiting on quotes to tarmac the area and for a carpenter to build an area for the staff. We will then be applying for the Freedom to Try to get this across the line

What's next?

- New Year's Eve Party
- We have some more birthday parties happening just the other side of Christmas
- Valentine's Day Disco
- Recruitment Fair

From everyone at Rosewood, we wish you all a Merry Christmas and Happy New Year
